

Connecticut ARES Region 4 South Net

Are there any stations requiring this repeater for emergency or priority traffic?
Nothing heard. Calling the Connecticut ARES Region 4 South Net, Calling the
Connecticut ARES Region 4 South Net for Monday, _____ 2006.
Your net control station for this session is _____, my name is _____ and I am
located in _____, Connecticut. This is a directed net. Please do not break the
net unless you have Emergency or Priority traffic. Please direct all comments to
the Net Control Station. When checking in, please give your call sign
phonetically and list any traffic you hold. Also advise if you are mobile or
portable and whether you are operating on commercial or emergency power.
Following will be a call-up of stations by town or city after which I will ask for
liaisons and general check-ins. Calling stations from: Bozrah, Colchester, (Use
Call-up List)

CLOSING SCRIPT

This has been a regularly scheduled session of the ARES Net for CT Region 4
South, which meets weekly on this frequency at 8 PM local time. Thanks to those
who checked in and brought input to the net. Also, our thanks to WIDX for
allowing us to use the 147.06 repeater. This is _____ closing this session at
_____ local time and returning the repeater to normal amateur use. 73.
